The background is a complex 3D architectural rendering. It features a large, dark rectangular area in the center where the text is placed. Surrounding this central area are various geometric forms: tall, thin wireframe columns, solid grey rectangular blocks of different sizes, and a large, flat, light-colored rectangular plate. The floor is composed of a grid of wireframe cubes. The overall aesthetic is modern and architectural, using a monochromatic palette of greys, blacks, and whites, with the text providing a splash of orange.
