

HIMMEL

An aerial photograph of a city street, Leopoldstrasse, showing various buildings and green spaces. Five callout bubbles are overlaid on the image, each pointing to a specific feature. The bubbles are white with black text and are connected to the features by thin white lines. The features are: a building with a red roof (Himmel), a courtyard (Ruhiger Hinterhof Garten), a church and garden (Kirche und viel Grün: Garten), a building with a view of the Alps (Alpenblick), and the street itself (Leopoldstrasse: Stadt Atmosphäre).
