

Technical cross-section drawing of a building facade. The drawing shows a sloped roof structure on the left, indicated by a red dashed line and the label "GEFÄLLERICHTUNG" with a downward arrow. The roof is supported by a series of vertical structural elements. A person is shown sitting on a ledge or bench on the right side of the drawing. The drawing includes various hatching patterns to represent different materials and structural components. A circular detail callout labeled "DETAIL A" is shown on the right side of the drawing.
