---	---	---	---	---	---	---	---	---	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----

The drawing consists of two parts: a roof plan (Dachgrundriss) on the left and a cross-section (Querschnitt Werkstattgebäude A - A) on the right. The roof plan shows a rectangular building with a gabled roof. The cross-section shows the internal structure, including the roof truss and the building's foundation. The drawing is labeled with a grid from 1 to 24 and a section line A-A.
