The image displays architectural drawings of a hotel structure. At the top, there is a perspective view of a multi-story building with a complex, modular facade. Below this, two circular cross-sections are shown, illustrating the internal structural layout. The left circular section shows a multi-level interior with a central vertical core and surrounding rooms. The right circular section shows a different cross-section, highlighting the structural elements and the arrangement of the building's components. The drawings are rendered in a blue line-art style on a white background.

The image shows a 3D architectural rendering of a building facade. The facade is composed of blue trapezoidal panels (02_12B1500 / 21_1B874) and blue structural elements (18_1T57 Stahlstützen). The building has a complex, multi-level design with various setbacks and protrusions. The rendering is set against a white background with a dashed line on the left side.
