

This architectural cross-section illustrates the vertical organization of a house. The ground level is marked as ± 0.00 . The main living area (wohnen) is located on the ground floor, featuring a fireplace and a staircase (14 STG, 18.7/24.3) leading to a gallery (galerie) at $+2.74$. The gallery is connected to a balcony (balkon) and a terrace (terrasse). A technical room (tech.) is situated below the ground floor. The house has a gabled roof with a height of $+5.28$ at the ridge. The section also shows the entrance (eingang/gard.) at -2.45 and a basement level at -2.50 . Various elevation markers and dimensions are provided throughout the drawing.
